

JOHN F. O'MARA

Parochial School Has New Principal

John F. O'Mara of Rush Monday assumed his new duties as principal of St. Mary's School here, according to an announcement by James Huver, president of Board of Education. He succeeds Interim Principal Katherine Bacon.

The educator brings to St. Mary's a background of teaching and administrative experience in both public and Catholic schools. He served as school superintendent at Rushford and Wheatland-Chili central schools and served as assistant elementary principal at Canandaigua.

An Air Force veteran, O'Mara received his bachelor of science degree in elementary education in 1964 from Brockport State

University College and in 1962 gained his BS in music education from Fredonia State University College. He received his certification in administrative studies in 1972 from Genesee State University College.

Huver said the board and faculty are pleased to have O'Mara join St. Mary's staff and are looking forward to benefiting from his educational experience.

Foster Wheeler Lists Dividend Payment

Foster Wheeler Corp. announced its Board of Directors had declared a regularly scheduled quarterly dividend of 11 cents per share payable Mar. 15 to shareholders of record Feb. 16.

Foster Wheeler also announced it had taken an after-tax charge of \$14 million against results of operations for the fourth quarter of 1987 to provide for anticipated losses on restructuring of certain subsidiary operations and disposition of properties no longer used in its businesses. The charge will result in a loss for the 1987 fourth quarter and substantially diminished earnings for 1987 from those anticipated earlier.
